Proud Sons of a Proud State to Occupy Tented City on Kentucky State Fair Grounds

FARM BOYS IN CAMP.

THE Farmer Boys' Encampment, one of the most important as well as picturesque features of the Kentucky State Fair, annually brings to this agricultural and live stock celebration a juvenile representative from the 120 counties of the state.

To the boy standing sponsor for his home section the trip is an epoch and the honor much coveted and striven for. Heretofore the eligible boys were selected from farm boys between the ages of fifteen and eighteen years and through written competitive examinations submitted to a committee composed of a member of the State Board of Agriculture and of the faculty of the Agricultural College.

This year a new ruling requires that the boy competing for the trip and consequent honors and pleasures must be a member of either the Boys' Corn Club or the Boys' Pig Club of his county and must each grow one acre of corn or raise one pig as a minimum effort and must keep a daily record of the cost and other data. Boys eligible to this contest must be between the ages of ten and eighteen years, and no boy having attended an encampment in prior years will be considered.

No county will be permitted to enter this contest with less than fifteen members, and where the question of substitution arises the board will consider first the pig club boys in the counties that have corn clubs organized. Where there are no corn clubs or pig clubs organized the board reserves the right to appoint substitutes from other counties.

B. G. Nelson of Hopkinsville, Ky., is state agent for the Boys' Corn Clubs, and Otis Kercher of Lexington, Ky., is state agent for the Boys' Pig Clubs, and boys desiring to enter either or both of these clubs should immediately notify the respective agents at the above addresses, and upon receipt of their names all necessary instructions and rulings will be forwarded them.

The purpose of the Farmer Boys' Encampment at the State Fair is to extend the educational advantages of the Fair through the farming districts of the entire state, and the results growing from the three former encampments have been highly encouraging. During the week of their stay here the boys are guests of the Fair and in their "tented city" on the grounds are provided with every comfort as well as entertained by the wonders of the celebration. The judging contests to which they are eligible are of incalculable educational advantage, and the delegates are also taken on sightseeing excursions to the manufactures and show places of the city of Louisville.

# DIVINE BELIEVED COLLAPSE SURE

Louisville Man, However, Gains Weight After Taking Tanlac.

Louisville, Aug. 23.—C. D. Divine, one of the best and most favorably known men in Louisville, who is bookkeeper for the Falls City Clothing Company, recently had these words to say about Tanlac, the premier preparation:

"It was my misfortune to be afflicted with an aggravated case of stomach trouble and a highly nervous condition for several years. Gas would accumulate in my stomach, causing me great pain. These attacks followed one another in such rapid succession that my entire system became weakened and made me susceptible to coughs and colds.

"At one time I feared I was in danger of a complete nervous breakdown. In fact, I was told that the breakdown was inevitable. I had a tired, wornout feeling, my sleep was fitful, I was lacking in energy, and had no appetite. I was depressed in spirits and devoid of ambition.

"I suffered two years, the stomach trouble refusing to yield to the treatment of the best physicians in Louisville. My nerves were shattered. I felt as though my case was hopeless.

"Since using Tanlac, I feel like a different man. I have gained in weight, I sleep better, my appetite has returned, and I am filled with vigor and ambition. The tired feeling has vanished completely."

Tanlac, the premier preparation, is sold in Hartford by Ohio County Drug Co., by Z. Wilbur Mitchell, Beaver Dam, by L. C. Morton & Son, Centertown.

## SWEETHEARTS DON'T SPEAK BUT ARE HAPPY AT ALTAR

Rockport Ind., Aug. 20.—A romance developed through the use of gestures and sign language culminated to-day in the marriage of Nace L. Hutchinson, a farmer of Crystal Springs, Mass., and Miss Agnes Cox, of Rockport. Both are deaf mutes. The ceremony was performed by the Rev. J. H. Diehl in the sign language. The romance began in a school for the deaf and dumb in the South, where the principals were once pupils.

Two of 'Em. Among other things that the European war has obliterated is the one-term plank in the Baltimore platform. Champ Clark is credited with saying, "If the President makes good, no one can take the Democratic nomination from him; if he doesn't, no one will be willing to take it." Speaker Clark is mistaken. There

are two gentlemen, each of whom is a receptive candidate for any old nomination—Democratic, Republican, Progressive, Socialist or Grape Juice. One of them is known to fame as a discoverer of a lost river and the other as a discoverer of obsolete adjectives and a vendor of crippled syllogisms at so much per. —[Los Angeles Times.

# LOVER OF A PRINCESS FILLS GRAVE OF HERO

Killed Herself Two Years Ago Because She Could Not Wed Him.

Amsterdam, Aug. 20.—The battle for the possession of Warsaw brought to an end the tragic romance of Princess Sophia, only daughter of Prince Wilhelm of Saxe-Weimar-Eisenach, and Baron Hans Victor Von Bleichroeder. The son of the famous German banker was killed August 1 while fighting before Warsaw. He was at one time engaged to Princess Sophia, who killed herself in 1913 when her father, Prince Wilhelm, refused to consent to their marriage.

First news of the Baron's death was received the other day from Berlin. He was killed, it is stated, in the last days of the storming of the Polish capital, less than two years after his sweetheart shot herself at her father's castle in Heidelberg because she could not wed him. He was even barred from her funeral by members of her family.

It was on the night of September 17, 1913, that the Princess ended her life with a bullet. Grand Duke Ernest of Saxe-Weimar was said to have been responsible for preventing the wedding of the Princess to a banker's son. He was head of the house and, although her father was almost induced to permit the match, the Grand Duke refused to allow it unless Princess Sophia renounced all her titles. She refused to do.

Baron Von Bleichroeder visited America in 1910 to study banking methods. At that time he was reputed to be heir to \$40,000,000.

Later it was hinted that the Princess had ended her life following the spreading of hints that she had visited Paris in company with another woman and the young Baron. It was said that the fact that their automobile had run down a child was responsible for the Prince learning of their presence in the French capital.

## WOMAN "OVER 21" YEARS ADOPTS 43-YEAR-OLD MAN

Albert Hill Noland, 43 years old, has been adopted, under an order of the Surrogate's Court, as the son of Mrs. Clara E. Seabury, who said that she was "over 21." Mrs. Seabury, who is the widow of G. Thurston Seabury, said in her petition to Surrogate Cochran that she has property valued at more than \$50,000, and that she is "a widow of mature years."

Noland, who has lived at the home of Mrs. Seabury, changed his name to Seabury in 1912. However, at that time the laws of New York did not allow the adoption of an adult. "Notwithstanding this," said the petition, "they assumed the mutual actual relations of mother and son. He lived with her and they traveled extensively here and abroad in such relation, and she has made financial provision for him. The relationship has been mutually agreeable, beneficial and advantageous."

Mrs. Seabury said that she has no blood relatives nearer than cousins; that she was interested in the welfare of Seabury and would make him her heir. Noland's case is the first adoption of an adult, so far as known, under the new law. —[New York Tribune.

"About three months ago when I was suffering from indigestion which caused headache and dizzy spells and made me feel tired and dependant, I began taking Chamberlain's Tablets," writes Mrs. Geo. # Star "Sidewheelers" to Strive For World's Records at Kentucky State Fair

THE finest track and fastest performers in the country will make of the trotting and pacing events for the thirteenth annual Kentucky State Fair, Sept. 13-18, the greatest exhibitions of the kind in fair history. The entries for the track program closed June 1, with 140 contestants listed. This number breaks all former records and assures Fair visitors one of the most elaborate as well as high class showings of "sidewheelers" in history.

The entire list is made up of the creme de la creme of trotting and pacing horseflesh, and among the "cracks" who will compete for honors and try to break the world's records will be Hugh Miller, the sensational three-year-old who broke all records last year at the Kentucky State Fair by trotting a half mile in 2:11 1/4. Ham Patterson will also be "among those present." He won the \$1,000 trotting stake last year in 2:14. Another star will be Ophelia,

the great trotting mare who has already made 2:08 1/4 during the early part of this season. Joe H. has "won his spurs" on the fastest half mile tracks in Ohio and Michigan, and Bonnie Boy likewise has proved his class on the grand circuit.

The track events will include two colt trouts for two and three year old trotters with a purse of \$500 each. These features are rendered doubly interesting from the fact that there is always a possibility of developing another world's wonder like Effawah, who made his first appearance as a two-year-old on the Kentucky State Fair track and who has since proved to be the fastest trotter in existence today.

The rules of the National Trotting Association govern the Kentucky State Fair track events. R. J. Bassett of Leitchfield is the member in charge of the Speed Department, and C. R. Van Meter of Lebanon is the Superintendent.
